Full info about:

44-7106, 44-7114, 44-7114EXT  
Lava Brown spats for leg and shoe protection.

The *STEERSOtuff* legging spats are designed for easy wearing and complete protection. The fasteners are made with trim-to-fit Velcro to fit different leg or shoe sizes.

The 36 cm. length legging spat (44-7114) is designed for protection from knee to toe. It comes with bendable insert at shin and shoe top to allow shape formation. The 15 cm length legging spat (44-7106) comes with a under shoe elastic strap to secure shoe top cover.

Partnumber 44-7114EXT is a 15 cm wide extension for the 36 cm. length legging spat 44-7114.
